

Welcome

Pastor Travis & Sheilah Smith

“Hurricane Harvey Relief Team: ‘Love Thy Neighbor’”

Like you, the tragedy unfolding in Texas in the aftermath of Hurricane Harvey has burdened my heart. Houston, America’s fourth largest city, and the outlying towns and communities are overcome by flood waters and the human toll in some cases is heart-wrenching as recovery efforts begin.

Living in Tampa Bay, we are greatly aware that we too could easily suffer the same kind of destruction as these devastated areas of Houston. While many individuals, companies and churches will give financially to national organizations who will give aid and comfort, there are many communities that will wait for weeks and months to receive support and help. Among those waiting and looking for hope will be pastors of small churches, their members and the communities in which they serve.

My heart for Hillsdale is that we do more than give money! God has blessed our membership with men who have talents and skills in construction and can, in a very tangible way, show love to our neighbors across the Gulf. We have several men signed up to go to Houston to work beside a pastor, his church and community as soon as the waters recede and it is safe. Our goal is to send 15-20 men willing to go and financially support them by purchasing building materials and paying for all expenses (our financial goal is \$10,000-12,000).

In addition, we desire to send with the Hillsdale team, boxes of goods sorted and packed for families of four that will be distributed to those in need. Everyone cannot go; however, I trust everyone is willing to give!

With the heart of a shepherd,

Travis D. Smith
